### How Our School Used the PE and Sport Premium Grant (2024–2025)

We're committed to helping every child enjoy physical activity, develop healthy habits, and build confidence through sport. Here's how we used the government's PE and Sport Premium funding this year:

#### Staff Training (CPD – Continuing Professional Development)

**Total spent: £15,698**

- Training courses for staff: £134
- Swimming training for staff: £1,200
- Hiring expert coaches to support staff: £14,364

#### Benefits for Students:

- Better quality PE lessons led by confident, well-trained staff
- More engaging and inclusive activities for all abilities
- Improved swimming instruction to help children become water-safe

#### In-School Activities

**Total spent: £1,000**

- Extra-curricular sports clubs and activities: £1,000

#### Benefits for Students:

- More opportunities to stay active during and after school
- Encouragement to try new sports and build teamwork skills
- A fun and supportive environment to boost physical and mental wellbeing

#### External Activities

**Total spent: £90**

- Participation in School Games events: £90

#### Benefits for Students:

- Opportunities to represent the school and build pride
- Experience of friendly competition with other schools
- Development of resilience, sportsmanship, and confidence

** Total PE and Sport Premium Grant Spent: £16,788**

#### Why This Matters

This funding helps us create a positive, active culture in school—supporting not just physical health, but also confidence, focus, and emotional wellbeing.
