1. Aims

Our school aims to meet its obligations under the Public Sector Equality Duty (PSED) by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

2. Legislation and guidance

This document meets the requirements under the following legislation:

- [The Equality Act 2010](#), which introduced the Public Sector Equality Duty and protects people from discrimination
- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the Public Sector Equality Duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#).

3. Roles and responsibilities

The Governing Body will:

- Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, pupils and parents
- Ensure that the published equality information is updated at least every year, and that the objectives are reviewed and updated at least every 4 years

- Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the Headteacher
- They will:
 - Meet regularly with the Headteacher, and other relevant staff members, to discuss any issues and how these are being addressed
 - Ensure they're familiar with all relevant legislation and the contents of this document
 - Attend appropriate equality and diversity training
 - Report back to the full governing board regarding any issues

The Headteacher will:

- Promote knowledge and understanding of the equality objectives among staff and pupils
- Monitor success in achieving the objectives and report back to governors

All school staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

4. Eliminating discrimination

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff and governors are regularly reminded of their responsibilities under the Equality Act – for example, during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.

The school has a designated member of staff for monitoring equality issues. They regularly liaise with the Governing Body regarding any issues and make senior leaders and governors aware of these as appropriate.

5. Advancing equality of opportunity

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people that are connected to a particular characteristic they have (e.g. pupils with disabilities, or gay pupils who are being subjected to homophobic bullying)
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)
- In fulfilling this aspect of the duty, the school will:
 - Publish attainment data each academic year showing how pupils with different characteristics are performing

- Analyse the above data to determine strengths and areas for improvement, implement actions in response and publish this information
- Make evidence available identifying improvements for specific groups
- Publish further data about any issues associated with particular protected characteristics, identifying any issues which could affect our own pupils

6. Fostering good relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures
- Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies and we will also invite external speakers to contribute
- Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school. For example, our pupil leadership groups have representatives from different year groups and are formed of pupils from a range of backgrounds. All pupils are encouraged to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures
- We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

7. Equality considerations in decision-making

The school ensures it has due regard to equality considerations whenever significant decisions are made.

The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities
- Has equivalent facilities for boys and girls

8. Equality objectives

Objective 1: To further promote spiritual, moral, social and cultural development through all appropriate curricular opportunities, with particular reference to issues of equality and diversity.

We have chosen this objective because there is very little ethnic diversity within our school community. We feel that it is very important that our pupils gain and appreciate a broader cultural perspective and what makes a fair and equitable society.

To achieve this objective, we plan to: Specifically plan for opportunities across school, and continue to build on knowledge, where we can support our pupils to gain and appreciate a broader cultural perspective.

Objective 2: To increase the number of disadvantaged children attaining combined ARE and the higher standard of attainment.

We have chosen this objective because compared to other children nationally the number of disadvantaged children achieving combined ARE is lower. Very few disadvantaged children achieve higher standards of attainment.

To achieve this objective we plan to: see Pupil Premium Strategy

Objective 3: Increase the amount of extra-curricular activities available for Key Stage 1 children.

We have chosen this objective because a lot of our extra-curricular activities are for older children and parents/carers and children have expressed a need for more activities for younger children. We also recognise the benefits of this to early development.

To achieve this objective we plan to: Work with our partners at Embrace to develop our programme of extra-curricular activities, balancing the offer for EYFS and Key Stage 1 with that for Key Stage 2.

9. Monitoring arrangements

The Headteacher will update the equality information we publish, [described in sections 4 to 7 above], at least every year.

This document will be reviewed by the Headteacher and Governing Body at least every 4 years.

This document will be approved by the Governing Body.
