Community Courage Respect

Dear Parents and Carers,

Safer Schools

In 2009 our school was accredited a *Safer School*. This is a school security initiative created by West Mercia Police and supported by Shropshire Council. It includes the following.

Forming a *Safer School* group representing the school.

Implementing basic security measures applicable at all schools i.e. property marking, and visitor passes.

A pro-active approach to security/safety measures for the site/building and/or protecting assets.

Establishing a procedure for surveying perceived issues i.e. an unauthorised thoroughfare or, recording incidents i.e. anti-social behaviour, vandalism. Any recorded information is then analysed, and appropriate measures implemented.

If there are any projects to be undertaken, they are prioritised. Following the implementation of a project, its success is monitored.

PSHE or education of pupils as per the *Safer School* pack.

To maintain the accreditation, we have held regular *Safer School* meetings since our accreditation, and we plan to hold a future meeting. Part of the *Safer School* process is gathering the views/concerns of parents/carers. If you have views/concerns, including any positive observations, please could you forward in writing by Friday 8th July 2022 so they may be considered at a Safer School meeting. *The focus is the school grounds/site.*

Thank you.

Mrs Suzi Bray and Mrs Tracey Derham

A huge thank you to Three Parishes Big Local for our grant to build the outside classroom and Kevin Kingsley, our school caretaker, who has worked so hard to make this possible. It's beautiful and will be used to support all areas of our school family.
